## MODERN FINCA WITH VIEW TO THE ROMANTIC HARBOR BAY

You would like to own a vacation house, modern and at the same time with a charming harbor flair in a lovely neighborhood?

We offer you a special opportunity to combine modern architecture with a daily harbor lifestyle. A very modern and straight lined villa at the south coast of Mallorca, with generous glass areas and a light-flooded design. The real estate lies in the north of a small fisher town, which means you enjoy an onubstructable south slope position.

You can enjoy this special Mediterranean harbor flair from your pool terrace, the living room and from all the bed rooms independent of the seasons.

If you want to get closer to this unique lifestyle, we recommend a small mallorquin "Llaüt" to relax your soul in this desired harbor indentation and only be a step away from your magnificent real estate.

The property is currently under construction and is only a few weeks/months away from completion.

We are pleased to present this special Mallorca real estate to you.
