NEW CONSTRUCTION-DREAM-FINCA IN THE MIDDLE OF MALLORCA'S NATURE

A new construction Finca, exclusive and luxurious, which represents the Mediterranean flair and charm from the south both inside and outside from its best side. An exceptional retreat where it is nice to live and breath deeply.

The many integrated details make this property incomparable and offer an incomparably pleasing living experience. The beautiful finish and selection of high quality materials create a warm and pleasant atmosphere, both in the inside and the outside area.

The large terrace area invites you to enjoy the countless hours of sunshine here on the island, and also to relax. But to really enjoy the Mallorca property, nothing beats a spectacular pool, tiled with mosaic and surrounded by a large Mediterranean landscaped garden.

The spacious property is located in the middle of the beautiful nature of Mallorca, in a very calm neighborhood. Despite the rural location, you can reach the next town very quickly, as well as the natural beaches and bays in the east and south of the island. Furthermore, the property is a perfect starting point for hikes, bike tours and walks, as the forest "Es Fangar" is located in the immediate vicinity.

We aroused your interest and you would like to have further information about this unique new construction Finca? Do not hesitate and feel free to contact us.
