TOP NEW CONSTRUCTED FINCA - MOVE IN 1. HALF YEAR OF 2024 - TURNKEY!

We offer you a new construction project in the south east of Mallorca with an "Arrival and immediately feel comfortable - Package". Enjoy a neighbour protected piece of plot in a typical Mallorca mediterranean landscape. This Design Finca will be ready for you to move in the 1. halfyear of 2024!

The price includes a completely finished natural stone house in a country house style with upscale equipment. Further details: garage, long pool, outdoor kitchen, invested garden with plants and fruit trees, outdoor lightening, small well-kept wood for natural shade in summer with hammocks, large outdoor family area, long lightened driveway on property, electric gate system with a 200 square-meter invested entrance area, the whole property surrounded by renovated thick historical dry walls, and many more details in the outdoor and indoor area...

Enjoy with "Immobilienbau Mallorca" the advantage of a new construction - key-ready and for a fixed price, with latest technique, upscale construction standard, with a 10-year building guarantee and at the same time an outdoor facility like an existing house.

Arrange your visit appointment today to secure a piece of Mallorca and quality of life, on a property that offers you absolute privacy and tranquility. No road noise, no overhead lines, no aircraft noise!
